Welcome from Cricket Scotland CEO Gus Mackay

Welcome to the first edition of Cricket Scotland newsletter in 2021. We've listened to your feedback and each month this newsletter will include a section to keep you up to date on all the work going on behind the scenes at Cricket Scotland. I would encourage you to share this widely with your fellow club members. We are running a competition for one club to win a £500 bag of junior kit for their club by signing up to this newsletter.

COMPETITION: WIN £500 OF JUNIOR KIT FOR YOUR CLUB

We want as many people as possible to receive our updates, so to encourage you all to share this newsletter with other members of your club and the wider cricket family in Scotland, we have a competition for you.

On April 30th 2021 we'll select one name at random from those signed up for the newsletter and they'll win a £500 bag of junior kit for their club from Gray Nicolls.

The more subscribers from your club, the better your chance of picking up the prize.

The competition is open to residents of Scotland only. If your name is selected then we'll contact you to find out which club you are nominating to receive the prize so we can get their prize straight to them.

LATEST NEWS

2021: The Return of Cricket

Last year, cricket in Scotland played its part in the fight against the virus and Cricket Scotland continues to work very closely with sportscotland and the Scottish Government, including in assessing how and when the 2021 cricket

season can commence. The roll-out of the vaccines gives us all hope that we will be able to play more cricket this year than was possible last year but that cannot, of course, be guaranteed.

Cricket Scotland Digital Platform

Cricket Scotland has invested in a new digital scoring platform to assist all formats of the domestic game with scoring and administration. After consultation with the regional associations, it is planned to roll this out over the next two seasons, with a number of domestic leagues and the Womens Premier League launching it this year.
